

Riverton Library presents

Dr Catherine Bishop

Local Riverton Girl Makes an Impact:  
*Too Much Cabbage and Jesus Christ: Australia's  
'Mission Girl' Annie Lock*

2pm Thursday 2 June 2022  
Riverton Library, Oxford Tce

Annie Lock was born in Rhynie to a large farming family. But she would become famous (and infamous) as a lone female missionary working among Aboriginal people across Australia.

Part girls' own adventure story, part traumatic colonial tale of child removal and massacres, *Too Much Cabbage and Jesus Christ* tells the remarkable life of an ordinary girl who did extraordinary, if not always admirable, things.

Come and hear award-winning historian Catherine Bishop delve into Australia's recent past and reveal some of the highlights (and lowlights) of this difficult woman.

Dr Catherine Bishop is a historian living in the Blue Mountains in New South Wales and is currently a postdoctoral fellow at Macquarie University. *Too Much Cabbage and Jesus Christ* is her fourth book and first biography.
